great

Australian Avionics Products!

Microair products ordered with our instrument systems[#]

are even more competitively priced

at least matching

the best Australian advertised price^{##} & delivered freight free^{###}

[#] Applies when an order **also** placed for Stratomaster instruments or accessories costing more than \$275.

^{##} Competing advertised price(s) offered by an authorised Australian Microair dealer as advised by the client. If that price(s) is below our quoted price(s), we will match that advertised price(s). The advertised competitor price(s) must be current on the day the order is placed and paid for. This price offer is conditional on it covering our buying and shipping costs.

^{###} There is no charge for freight & packaging for Microair product orders of more than \$1000 where an order is **also** placed for Stratomaster instruments or accessories costing more than \$275.
